

RESOLUTION NO. 6183

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF CYPRESS,  
CALIFORNIA, ESTABLISHING A RECEIPT AND DISTRIBUTION POLICY  
REGARDING TICKETS AND/OR PASSES IN CONFORMANCE WITH THE  
CALIFORNIA CODE OF REGULATIONS § 18944.1, AS AMENDED BY  
THE FAIR POLITICAL PRACTICES COMMISSION.

WHEREAS, every California city by and through its governing body and other public officials is empowered to exercise all powers necessary or appropriate to a municipal corporation for the general welfare of its inhabitants which are not prohibited by the California Constitution; and

WHEREAS, the City of Cypress must compete with surrounding cities for scarce consumer spending and business investment in order to generate revenue to provide services for Cypress residents, reinvest in the community infrastructure, promote the local economy, as well as maintain a safe and clean community; and

WHEREAS, as part of the City's economic development it is necessary to create programs and forums that showcase the City's unique assets and attributes, including but not limited to, the City's desirable location in Orange County, quality residential neighborhoods, highly trained workforce, responsive and open government, and its diverse array of local attractions, cultural and civic events, and cultural diversity; and

WHEREAS, one established and recognized method of promoting a community's unique assets and to encourage economic investment is to initiate a marketing strategy that includes promotions, invitations to City and community events, City-sponsored business outreach and similar efforts; and

WHEREAS, from time to time, the City receives "tickets or passes" from third party sources, both public and private, which the City distributes to various persons including City employees and officials; and

WHEREAS, under Title 2 of the California Code of Regulations ("2 CCR"), Section 18944.1 ("Section 18944.1") those tickets and passes are defined as an admission to a facility, event, show, or performance for an entertainment, amusement, recreational, or similar purpose; and

WHEREAS, the Fair Political Practices Commission ("FPPC") has adopted new regulations that set up the circumstances under which the receipt of tickets and passes by a public official would need to be disclosed by the City and the circumstances they would be distributed to public officials and not trigger disclosure requirements for the purposes of the public official's Statement of Economic Interests ("Form 700"); and

WHEREAS, the City finds the receipt of all such tickets and passes are public resources; and

WHEREAS, the City desires to distribute those public resources in a manner that furthers the City's governmental and public purposes as reasonably described herein, such as the promotion of local businesses, community resources, programs, and facilities; and

WHEREAS, according to Section 18944.1, those tickets and passes are not gifts to "public officials" if those tickets and passes are disseminated in accordance with a duly adopted written policy and if such distribution is made under Section 18944.1, subdivision (b)(2); and

WHEREAS, the FPPC has clearly stated it recognizes the discretion of the City Council to determine whether the distribution of tickets and passes serves a legitimate public purpose of the City, as long as that the determination is consistent with State law.
