ARTICLE I - RECOGNITION

Section 1. Pursuant to the Provisions of the Employer-Employee Relations Resolution No. 970, as amended, the City of Cypress (hereinafter called the "City" and/or "Employer" interchangeably) has recognized the Cypress Employees' Association as the majority representative of the employees in the bargaining unit, which includes all general miscellaneous classifications.

Section 2. The City shall recognize the Association as the representative of the employees in the classifications and assignments set forth in Section 1. above for the purpose of meeting its obligation under this Agreement, the Meyers-Milias-Brown Act, Government Code §3500, et. seq., when City Rules, Regulations or laws affecting wages, hours and/or other terms and conditions of employment are amended or changed.

Section 3. Recognizing the above-mentioned body, the City encourages open and good faith negotiations between the City and its employees through their Employees' Association Representatives.

ARTICLE II - NONDISCRIMINATION

Section 1. The City and the Association agree that they shall not discriminate against any employee because of any legally protected classification recognized by state or federal law, including but not limited to: race, color, sex, age, national origin, disability, political or religious opinions or affiliations. The City and the Association shall reopen any provision of this Agreement for the purpose of complying with any final order of the state or federal agency or court of competent jurisdiction requiring a modification or change in any provision of this Agreement in compliance with state or federal anti-discrimination laws.

Section 2. Americans with Disabilities Act (ADA) and California Fair Employment and Housing Act (FEHA). To comply with state and federal law, the language below shall apply:

A. The ADA/FEHA requires reasonable accommodations for individuals protected under the ADA/FEHA, and because reasonable accommodations must be determined on an individual, case-by-case basis, exceptions to the provisions of this Agreement may be required for the City to avoid discrimination in the hiring, promotion, granting of permanency, transfer, layoff, reassignment, termination, rehire, rates of pay, job and duty classification, seniority, leaves, fringe benefits, training opportunities, hours of work or other terms and privileges of employment.

B. The City has the legal obligation to meet with the individual employee or applicant to be accommodated before any adjustment is made in working conditions. The Association will not be notified of these proposed accommodations prior to implementation by the City, unless the employee desires such notice.

C. Any accommodation provided to an individual protected by the ADA/FEHA shall not establish a past practice, nor shall it be cited or be used as evidence of a past practice in the grievance, discipline, or other legal procedure.

Section 3. Whenever the masculine gender is used in this Memorandum of Understanding, it shall be understood to include the feminine gender.

ARTICLE III - COMPENSATION PLAN

Section 1. Basic Compensation Plan.

A. All employees covered by this Agreement shall be included under the Basic Compensation Plan. Every position under this Plan shall be assigned a range established by the City Council by resolution. All pay changes shall be at the beginning of the closest start of the pay period, unless there is a special justification as approved by the Personnel Officer. The salary schedule shall consist of nine steps within each range: A step, A1 step, B step, B1 step, C step, C1 step, D step, D1 step and E step.

B. The A step, is the minimum rate and is normally the hiring rate for the class. An employee may be assigned, upon appointment, to other than the A step upon the recommendation of the department head and the approval of the City Manager or his designee when it is decided that such action is in the best interest of the City.

C. Employees hired at the A step may be eligible for a merit adjustment at the end of six months of employment. Employees hired above the A step may be eligible for a merit adjustment at the end of one year of employment.

D. Subsequent merit adjustments are intended to encourage an employee to improve his work and to recognize seniority and increased skill on the job. Employees are normally eligible for these adjustments at any time after the completion of one year of service at their current step. An employee can move either one or two steps for merit adjustments, based upon the recommendation of the department head and approval of the City Manager or his designee.

E. All rates shown are in full payment for services rendered and covers full payment for the number of hours now being regularly performed in each class.

F. The comprehensive wage and salary plan, as outlined herein, is based on a 40-hour work week for all employees covered by this Agreement.

Thereafter, an employee must be reviewed at least once every twelve months from the effective date of his last performance step increase, special performance advancement or promotion. Nothing contained herein shall restrict the department head from denying the increase after evaluation, nor shall it prevent him from recommending a special performance advancement in salary at any time when unusual or outstanding achievement has been demonstrated.

Whenever possible, the employee involved shall notify the department head of such leave request 10 working days in advance of the beginning date of such leave.

B. In addition to the provisions of State law, the City shall continue to provide to said employee the current health benefits medical, dental, disability and life insurance, and retirement (if applicable) for the first six months of military leave. During said period, the employee shall be required to pay to the City the same co-payments as required of other employees in the bargaining unit. After the first six months of military leave, the employee may continue said health benefits at his cost.

Section 4. Pregnancy Disability Leave of Absence.

A. An employee who is disabled due to pregnancy shall be granted a pregnancy disability leave for a minimum period of four months provided that a lesser period may be granted upon the request of the employee.

B. Disabilities arising out of pregnancy shall be treated the same as other temporary disabilities in terms of eligibility for, or entitlement to, sick leave with or without pay, extended sick leave, or accumulated sick leave benefits.

C. Employees are encouraged to report pregnancy. Where the nature of the duties performed are hazardous or burdensome, the employee may be required to submit medical evidence as to fitness for the performance of duties of the position.

D. Regular full-time and probationary employees shall be placed on medical leave when the employee's physician states that medical disability would interfere with the performance of the duties of the position or continuing work would be hazardous. Should disagreement arise between the department head and the employee's physician as to the hazardous nature of the job or the ability of the employee to perform the job, a physician representing the City will resolve the conflict. The decision will be binding upon all the parties.

E. Following childbirth and upon release from medical treatment for the disability resulting from the pregnancy, the employee must submit a medical statement of fitness to perform the duties of the position to Human Resources. Upon expiration of an approved pregnancy disability leave of absence, the employee shall be reinstated in the position held at the time leave was granted.

Section 5. Family Leave. The City shall comply with State and Federal Family Medical Leave Laws.

Section 6. Unauthorized Leave of Absence. Unauthorized leave of absence shall be considered as days, or portions of days, not worked which are normal working days and will cause the deduction from the employee's pay of an amount equivalent to the time absent. Employees taking unauthorized leaves of absence may be subject to disciplinary action, to and including termination of employment.

ARTICLE XII - JURY DUTY

Section 1. Compensation for Jury Duty.

A. Regular or probationary employees required to report for jury duty shall be granted leave of absence for such purpose, upon presentation of a jury notice to the department head. Said employees shall receive full payment for the time served on jury duty, provided the employee remits any fees received for such jury service, excluding payment for mileage, to the Finance Department. Compensation for mileage, subsistence or similar auxiliary allowances shall not be considered as a fee and shall be retained by the employee.

B. If the sum of the employee's jury duty responsibilities is less than a full workday, the employee shall contact his supervisor as to the feasibility of returning to work that day.

C. The employee shall not receive regular pay for work and pay for jury service which shall be in excess of 8 hours pay in any one day.

ARTICLE XIII - TEMPORARY ASSIGNMENT AND APPOINTMENT

Section 1. In special circumstances, when in the best interest of the City, the City Manager or his designee may approve a temporary assignment of a probationary or regular employee to a higher level classification.

Section 2. The City may work employees in a temporary assignment for up to 20 consecutive working days without additional compensation. The City may work employees in the classifications of Police Clerk I, Police Clerk II and Police Services Officer in a temporary assignment for up to 30 consecutive working days without additional compensation.

Section 3. Temporary assignments shall not be compensated at increased compensation where the temporary assignment is a replacement of an employee on a non-medical related leave.

Section 4. An employee shall receive temporary assignment pay at the lowest step in the higher classification salary range that would represent a salary increase of at least five percent (5%) above the employee's salary, for work performed within the scope and responsibilities of the higher classification on the twenty-first (21st) consecutive day out of class, or on the thirty-first (31st) consecutive day out of class for employees in the classifications of Police Clerk I, Police Clerk II and Police Services Officer, and for each consecutive day thereafter an employee works out of class.

Section 5. During the 20 consecutive working day eligibility period before an employee is entitled to receive temporary assignment pay, or the 30 consecutive working day eligibility period for employees in the classifications of Police Clerk I, Police Clerk II and Police Services Officer, an employee may only be absent from work for a maximum of 16 cumulative hours. Any absence in excess of 16 hours shall break consecutiveness and cause an employee to be ineligible to receive temporary assignment pay. Should an employee be absent in excess of 16 hours, the 20 consecutive day eligibility period or 30 consecutive day eligibility period shall begin the day after the employee returns to work.

Section 6. A temporary assignment shall not exceed one year.

ARTICLE XIV - SICK LEAVE

Section 1. General Sick Leave Provisions.

A. Sick leave shall be used for the diagnosis, care, or treatment of an existing health condition of, or preventative care for, an employee, or as authorized by the Personnel Officer under the provisions of the Federal Family Medical Leave Act and/or the California Family Rights Act, or California Labor Code Section 233 (use of sick leave).

B. The employee may use up to 48 hours of sick leave per year for the following purposes:

1. For the diagnosis, care, or treatment of an existing health condition, or preventative care for, any of the employee's family members: child of any age or dependency status; parent; parent-in-law; spouse, registered domestic partner; grandparent; grandchild; or sibling.

2. For the employee who is a victim of domestic violence, sexual assault, or stalking: (a) to obtain or attempt to obtain a temporary restraining order or other court assistance to help ensure the health, safety, or welfare of the employee or his or her child; or (b) to obtain medical attention or psychological counseling; services from a shelter; program or crisis center; or participate in safety planning or other actions to increase safety.

Section 2. Eligibility. All employees covered by this Agreement shall be eligible to accrue sick leave.

Section 3. Accrual. Sick leave shall be accrued at the rate of 8 hours per calendar month for each calendar month that an employee has worked regularly scheduled hours and/or has been on authorized leave which provides for full pay, for at least 15 calendar days in that month.

Section 4. Accumulation and Payment Plan.

A. Accrued sick leave may be accumulated without limit, except that payment of accumulated sick leave shall be granted by the City Manager or his designee on an annual basis to all employees who have a minimum of 120 hours of accumulated sick leave on record on December 1st, and opt to receive payment, during the subsequent December on a date determined by Human Resources, at a rate of fifty percent (50%) of current salary for one-half (1/2) of their annual unused sick leave.

B. Payment of accumulated sick leave shall be granted by the City Manager or his designee on an annual basis to all employees covered by this Agreement who have a minimum of 240 hours of accumulated sick leave on record on December 1st, and opt to receive payment, during the subsequent December on a date determined by Human Resources, at a rate of one hundred percent (100%) of current salary for one-half (1/2) of their annual unused sick leave.

C. Employees wishing to opt for payments stated in Section 4. (A) and (B) above, must notify Human Resources of said decision 30 days in advance of the payment date. The sick leave hours for which the employee receives payment shall be deducted from his sick leave record with the remaining one-half (1/2) of the annual accumulated sick leave being continued as a credit to the employee's sick leave account.

D. In accordance with the annual conversion policy set forth in Section 4. (A), (B) and (C) above, employees shall have the option of depositing their sick leave payment in a City deferred

compensation program instead of receiving payment in cash. All deposits made into the deferred compensation program shall be made in accordance with any and all regulations governing the deferred compensation program.

E. Upon death, retirement, separation or termination of an employee covered by this Agreement, with a minimum of 60 days or 480 hours of sick leave accumulation, said employee is entitled to receive fifty percent (50%) compensation for that accumulated sick leave.

F. Upon death, retirement, separation or termination of an employee covered by this Agreement, with a minimum of five years of service and with between 240 hours and 480 hours of sick leave accumulation, said employee is entitled to receive payment for the difference between that amount of sick leave and 240 hours at fifty percent (50%) compensation.

G. In accordance with the payment plan set forth in Section 4. (E) and (F) above, upon separation, termination or retirement of an employee covered by this Agreement, said employee shall have the option of depositing their sick leave payment in a City deferred compensation program, instead of receiving payment in cash. All deposits made into the deferred compensation program shall be made in accordance with any and all regulations governing the deferred compensation program.

H. The employee listed below is entitled, upon a service retirement which is not surrounded by discipline, to one-hundred percent (100%) of accumulated sick leave hours paid at the employee's rate of pay on his last day of actual work, regardless of effective date of service retirement. Payment shall be made when the City receives "Notice of Placement on Retirement Roll" from CalPERS confirming a service retirement. The employee below opted to "grandfather" this benefit from the Cypress Police Officers' Association Memorandum of Understanding. No other employees shall be eligible to receive this benefit.

Section 5. Use.

A. Sick leave may be requested and used as approved by the department head or the City Manager. Payment for approved sick leave shall be authorized until the employee's accumulated total of sick leave hours has been exhausted and at such time the employee shall receive no further payment for sick leave. An employee shall have his accumulated sick leave balance reduced by an amount equal to the number of hours of sick leave for which he receives payment.

B. Sick leave shall not be granted for disability arising from any sickness or injury purposely self-inflicted or caused by an employee's own willful misconduct.

Section 6. Sick Leave During Vacation. An employee who becomes ill while on vacation may have such period of illness charged to his accumulated sick leave provided that: immediately upon return to duty, the employee submits to his department head a written request for sick leave and a written statement signed by his physician describing the nature and dates of illness; and the department head recommends and the City Manager approves granting of such sick leave. The employee may request an extension of vacation due to illness, subject to the approval of the department head and City Manager.

Section 7. Extended Sick Leave.

A. In the event an employee's continuing illness results in depletion of sick leave accumulation, the employee may request, in writing, to his department head and City Manager, a leave of absence without pay for the purpose of recovering from an illness, provided:

1. The employee has used all of his accumulated sick leave.
2. The employee presents to his department head for referral to and consideration by the City Manager, a written explanation of the employee's illness and an estimate of the time needed for recovery signed by the employee's physician.
3. Prior to resuming his duties, the employee may be required to take a medical examination at the City's expense and provide a medical release to return to work from the employee's physician as prescribed by the City Manager. The employment record and the results of such examination shall be considered by the City Manager in determining the employee's fitness to return to work.
4. The maximum period of such leave shall be three calendar months. If the employee desires an extension, he shall follow, prior to the termination of his initial leave, the procedure described in subparagraph (2) above.

Section 8. Related Leave Chargeable to Sick Leave.

A. An employee may be granted time off with pay for the conduct of personal business up to a maximum of 27 hours per payroll year. Sick leave utilization studies conducted by the City shall not include personal leave.

B. Such granting of time off with pay shall be subject to the discretion of the department head and City Manager. When any such time is authorized, it shall be charged against the employee's accumulated sick leave account.

Section 9. On-the-job Injury. For all regular employees covered by this Agreement, when an employee is disabled by injury or illness arising out of and in the course of his duties for the City, he shall become entitled, regardless of his period of service with the City, to leave of absence for the period of such disability, but not exceeding one year, or until such earlier date as he is retired on permanent disability pension. During the first five (5) working days of such disability, the City shall pay one hundred percent (100%) of the salary in lieu of temporary disability payments. Thereafter, the employee shall receive eighty percent (80%) of salary in lieu of temporary disability payments. Any payments made pursuant to this Section shall not be charged to sick leave; provided, however, no sick leave or vacation benefits shall accrue during the period of such disability.

Section 10. Off-the-job Injury. An employee injured outside of his service with the City may apply for benefits under the disability insurance plan provided by the City.

ARTICLE XV - FRINGE BENEFIT ADMINISTRATION

Section 1. Administration. The City reserves the right to select the insurance carrier or administer any fringe benefit programs that now exist or may exist in the future during the term of this Memorandum of Understanding.

Section 2. Selection and Funding. In the administration of the fringe benefit programs, the City shall have the right to select any insurance carrier or other method of providing coverage to fund the benefits included under the terms of this Memorandum of Understanding, provided that the

benefits of the employees shall be no less than those in existence as of implementation of this Agreement.

Section 3. Changes. If, during the term of this Memorandum of Understanding, any change of insurance carrier or method of funding for any benefit provided hereunder occurs, the City shall notify the Association prior to any change of insurance carrier or method of funding the coverage.

ARTICLE XVI - HEALTH, LIFE, DENTAL, DISABILITY AND VISION INSURANCE

Section 1. Health Insurance Plan.

A. For the employees covered by the terms of this Agreement, the City and the employees shall contribute the sums listed below per month per employee toward health insurance:

MEDICAL RATE PROVISIONS AND SCHEDULE

Flexible Benefit Plan: The City shall maintain a benefit plan which will allow employees to utilize pre-tax dollars for health contributions (medical, dental, and life insurance contributions) and will provide additional contributions above the "PERS Health Coverage" for health insurance as noted below.

Pursuant to Government Code Section 22892, the City shall continue to pay the minimum monthly payment to PERS for all those employees and retirees choosing the PERS Health Plan, and shall pay any adjustment to this amount pursuant to PERS law. An employee and retiree may choose any plan offered by PERS that said employee or retiree is eligible to receive.

Employees eligible for this plan may choose, depending on their family status (single, one dependent or more), any medical plan offered by PERS (as eligible) and the following monthly City maximum contribution and employee minimum contribution benefit shall apply:

The following monthly City maximum contribution and employee minimum contribution benefit shall apply for the period July 1, 2018 through December 31, 2018:

Status	*City Maximum	*Employee Minimum
Employee Only	\$1025	\$ 0
Employee + 1	\$1025	\$ 5
Employee + Family	\$1025	\$10

The following monthly City maximum contribution and employee minimum contribution benefit shall apply for the period January 1, 2019 through December 31, 2019:

Status	*City Maximum	*Employee Minimum
Employee Only	\$1075	\$ 0
Employee + 1	\$1075	\$ 5
Employee + Family	\$1075	\$10

The following monthly City maximum contribution and employee minimum contribution benefit shall apply for the period January 1, 2020 through December 31, 2020:

Status	*City Maximum	*Employee Minimum
Employee Only	\$1125	\$ 0
Employee + 1	\$1125	\$ 5
Employee + Family	\$1125	\$10

The following monthly City maximum contribution and employee minimum contribution benefit shall apply for the period January 1, 2021 through June 30, 2021:

Status	*City Maximum	*Employee Minimum
Employee Only	\$1175	\$ 0
Employee + 1	\$1175	\$ 5
Employee + Family	\$1175	\$10

* The City will only pay up to the maximum contribution (City Maximum) or the premium of the health plan selected by the employee, whichever is lower. The employee must pay either the cost of the premium not covered by the City Maximum or the minimum contribution (Employee Minimum) as stated above, whichever is higher.

PERS Health Plan Deletion: An employee cannot be enrolled in the PERS health plan if a spouse is enrolled in the same agency or enrolled in an agency with PERS health, unless the employee (or the spouse) is enrolled without being covered as a family member. Additionally, an employee may choose to not be enrolled in the PERS health plan. If an employee chooses to delete the health plan coverage, the City, after determining that a minimum amount of health coverage is provided to the employee (by their spouse or other coverage), shall pay a cash allowance of \$300 per month or pay to the employee's deferred compensation plan (a plan administered by the City) \$300 per month. [The same concept is applied to Dental at \$5 per month]. If the employee wants to have all or a portion of the deferred compensation payment to be credited towards the dependent coverage cost, then the remaining balance, if any, shall be credited to the employee's deferred compensation account. To be eligible for this "deletion" payment, the employee must provide proof, as determined by the Personnel Officer, that comparable group health coverage is in full force and effect. In the event the employee loses eligibility (with documentation) then the employee may re-enroll in the plan pursuant to the PERS health plan rules.

B. Retiree Health Savings Plan

- a. The City will contribute \$75.00 per month for each employee participating in the Retiree Health Savings Plan.
- b. Employees hired after 7/1/07 are required to participate in the Retiree Health Savings Plan.

C. Supplemental Health Care Benefit - Eligible Retirees:

- a. Benefit applies only to the following employees who made the election to be grandfathered in to the Supplemental Health Care Benefit: Keith Carter, Richard Morrow, Doreen Shackelford.

b. Employees who retire from the City under a PERS service retirement, with at least 10 years of continuous service may be eligible for supplemental health care benefits effective on the date of retirement. The employee's service retirement date must immediately follow the employment separation date for the employee to be eligible to receive the supplemental health care benefit.

c. The retiree may receive a payment for this benefit pursuant to the following schedule:

<u>Yrs. of Continuous Service</u>	<u>City Payment</u>
10	\$100/month
15	\$150/month
20	\$300/month

d. The monthly payment amount set forth in B above, can be used by the retiree to either continue his health care benefits as may be available through the PERS Health Plan or use the monthly payment amount to purchase alternative health care benefits. This monthly payment shall be sent to the eligible retiree by check, direct deposit, wire transfer or ACH.

e. If the retiree chooses to participate in a plan other than the PERS Health plan, the retiree must provide the City with verification, as determined by the Personnel Officer, that the City payment is being used to secure alternative health care benefits.

f. The above City payment will terminate on the date that the retiree reaches age 65 or on the date that the retiree becomes eligible for Medicare, whichever comes first.

g. This provision does not relate to the minimum payment to PERS for employees and retirees selecting the PERS Health Plan. Therefore, if a retiree eligible for the above supplemental health care benefit selects the PERS Health Plan coverage, then the retiree would be eligible for the above City payment and the minimum payment to PERS by the City.

Section 2. Dental Insurance Plan.

A. The City shall pay 100% of the employee's premium to a dental insurance plan.

B. Payment for dependent coverage in the dental insurance plan shall be the responsibility of the employee.

C. The City will pick up the cost of employee's share of rate increases that occur within the Dental Plan for the duration of the current MOU contract, through 6/30/21.

Section 3. Vision Plan. The City shall pay 100% of the employee's and dependent's premium to a vision insurance plan.

A. The City will pick up the cost of rate increases that occur within the Vision Plan for the duration of the current MOU contract, through 6/30/21.

Section 4. Life Insurance Plan. The City shall pay 100% of the premium for a term life insurance policy for each eligible employee which shall be based upon a formula of one times the employee's annual salary rounded up to the nearest thousand dollars up to a maximum City paid coverage of \$50,000 (i.e. an employee who earns \$40,100 would receive \$41,000).

A. The City will pick up the cost of rate increases that occur within the Life Insurance Plan for the duration of the current MOU contract, through 6/30/21.

Section 5. Disability Insurance Plan. The City shall provide a long-term disability insurance plan for all employees covered by this agreement. The City shall pay 100% of the premium for the employee's short-term and long-term disability insurance plan. Modifications to the plan shall be made only after the City has met and consulted with the Association.

ARTICLE XVII - RETIREMENT

Section 1. The City shall continue to make contributions for regular "Classic" employees (i.e. those who do not meet the definition of "New Member" under the California Public Employees' Pension Reform Act (PEPRA)) to the PERS plan known as two percent (2%) at fifty-five (55). Publications relating to employee benefits and rights shall be posted in the Employees' lounges when received by the City.

Section 2. The City shall pay the Employer Paid Member Contribution (EPMC) to their retirement plan subject to *Section 3*, and place it in the employees' individual accounts.

Section 3. Employees hired prior to June 30, 2010 shall pay the following towards their PERS retirement contribution:

Effective July 13, 2018, employees will contribute 1% of the EPMC and the City will pay the remaining 6%.

Effective July 12, 2019, employees will contribute 2% of the EPMC and the City will pay the remaining 5%.

Effective July 10, 2020, employees will contribute 3% of the EPMC and the City will pay the remaining 4%.

Section 4. "Classic" employees hired after June 30, 2010 shall pay the following towards their PERS retirement contribution:

Effective July 13, 2018, employees will contribute 4% of the EPMC and the City will pay the remaining 3%.

Effective July 12, 2019, employees will contribute 5% of the EPMC and the City will pay the remaining 2%.

Effective July 10, 2020, employees will contribute 6% of the EPMC and the City will pay the remaining 1%.

The EPMC is not reported to CalPERS as special compensation.

Section 5. The City's PERS contract shall provide the Survivor's Continuance Benefit to employees.

Section 6. The City's PERS contract shall provide for the 1959 Survivor's Benefit (Level 3). The City shall make the employees' contribution in the amount of \$2.00 per month.

Section 7. The City's PERS contract shall provide for the "One Year Highest Compensation" benefit for eligible employees. The City shall pay for the entire cost of this benefit for eligible employees.

Section 8. Employees hired after January 1, 2013 who are new to the California Public Employees Retirement System (CalPERS), have had a six month or more break in service, or otherwise satisfy the definition of "New Member", are subject to all laws, statutes, rules and regulations of PEPRA.

Section 9. In the event the City and its employees are required to participate in the Federal Social Security program, the employee contribution designated by law would be the responsibility of the employee, and the City shall not be obligated to pay or "pick up" any portion thereof.

ARTICLE XVIII - EMPLOYEE TRAINING AND EDUCATION PROGRAMS

Section 1. Tuition Reimbursement. Employees who meet the requirements of the plan and who secure at least a passing grade ("C") shall receive up to \$1,500 per fiscal year (July 1 to June 30) to attend accredited colleges taking courses pursuant to the employees' training and education programs. Reimbursement shall include the cost of tuition, fees and books, and all mandatory supplies. (Mandatory supplies shall include only such items necessary to complete compulsory assignments/projects required by instructors.)

ARTICLE XIX - SAFETY AND HEALTH

Section 1. The City and the employees of the City agree to comply with all applicable State and Federal laws which relate to health and safety.

Section 2. All persons who drive City vehicles shall be subject to the DMV Employer Pull Notice Program.

ARTICLE XX - LAYOFF PROCEDURES

Section 1. Policy.

A. Whenever there shall be need for layoff, employees within the class(es) of position(s) involved shall be terminated in the following order: emergency, provisional, temporary, probationary, regular. The order of layoff of regular employees shall be based upon recommendation of the department head. The department head shall take into consideration such things as tenure and job performance. Regular employees, subsequently laid off, shall be given a minimum of one month's notice, and written notice of the reasons for such action. The City will discuss with the Association the impact of the layoff and alternatives available. Regular employees in good standing (those deemed to have produced satisfactory service) shall be placed on appropriate employment lists and will have precedence for employment over persons whose names appear on employment lists for the same class of position.

B. An employee may be terminated by the department head when deemed necessary or convenient as a result of substantial changes in duties or organization, abolition of position, shortages of work funds, or completion of work for which employment was made. Such termination shall not be subject to appeal.

ARTICLE XXI - REINSTATEMENT

Section 1. Policy.

A. Regular employees who have been laid off shall be entitled to reinstatement to positions in the same class where such positions are to be refilled during the period of their eligibility on the layoff employment list. Any employees so reinstated shall retain all benefits accrued in prior service with the City. During such layoff, no benefits shall accrue and the anniversary date shall be adjusted, if such layoff time exceeds 30 consecutive days.

B. Any regular employee who has resigned from the City's service in good standing may, upon written request and approval of the department head and City Manager, be considered for reinstatement to a position in the same or similar class in the classified service within two years of such termination. Such reinstatement shall be made without benefit of additional examination and may take precedence over employment lists, but in no way shall it be mandatory for the department head to reappoint a former employee should he desire not to do so. Appointment shall otherwise be made in the manner as for original employment.

C. Upon reinstatement, any employee so appointed shall be considered a new appointee and shall have no vested interest in or be entitled to any benefits accrued during any previous employment with the City.

ARTICLE XXII - TRANSFER, PROMOTION AND DEMOTION

Section 1. Transfer.

A. An employee may be transferred at any time from one position to another position in the same or comparable class having the same salary range and reasonably similar qualifications. Transfer involving a change from one department to another will require consent of both department heads unless the City Manager orders the transfer. Transfers shall not be used to effectuate a promotion, demotion, advancement or reduction, each of which may be accomplished only as provided in this Agreement. No person may be transferred to a position for which he does not possess the minimum qualifications. Transfers shall be accomplished, when practicable, with consideration of the City's Affirmative Action Plan. The City Manager may require a transferring employee to serve a new probationary period.

B. For purposes of this Agreement, a transfer shall not include the reassignment of personnel within the internal operation of the department as may be made from time to time by the department head.

Section 2. Promotion.

A. Insofar as practicable and consistent with the best interests of the service, all vacancies in the competitive service shall be filled by promotion from within the competitive service, after a promotional examination has been given and a promotional list established. To be eligible to compete in a promotional examination, an employee must have City experience in a lower classification in the same occupational field performing work that is sufficiently preparatory for the work of the promotional classification. The City Manager shall determine the appropriate positions from which employees may be drawn to compete in a promotional examination.

B. If, in the opinion of the department head, a vacancy in the department could be filled better by an open, competitive examination, then the department head may instruct the Personnel Officer to call for applications for the vacancy and arrange for an open, competitive examination and for the preparation and certification of an employment list. Regular employees who meet the requirements of the position will be considered eligible to compete in the open, competitive examination.

C. Promotion shall be accomplished insofar as practicable and consistent with the best interests of the service, with consideration for the City's Affirmative Action Plan.

Section 3. Demotion.

A. The department head, with approval of the City Manager, may demote an employee for any of the following reasons or conditions:

1. An employee whose ability to perform his required duties falls below acceptable standards.
2. For disciplinary reasons set forth in Chapter 11.03 of the Personnel Rules and Regulations of the City of Cypress.
3. When the need for a position which an employee fills no longer exists.
4. When an employee requests such demotion and has the consent of the prospective supervising official.
5. For any other reasonable grounds as approved by the City Manager.

B. No employee shall be demoted to a classification for which he does not possess the minimum qualifications. Written notice shall be given an employee at least three working days before the effective date of the demotion and complete information regarding such change shall be reported to the Personnel Officer.

ARTICLE XXIII - NO STRIKE - NO LOCKOUT

Section 1. Prohibited Conduct.

A. The Association, its officers, agents, representatives and/or members agree that during the term of this Agreement, they will not cause or condone any strike, walkout, slowdown, sickout or any other job action by withholding or refusing to perform services.

B. The City agrees that it shall not lock out its employees during the term of this Agreement. The term "lockout" is hereby defined so as not to include the discharge, suspension, termination, layoff, failure to recall, or failure to return to work of employees of the City in the exercise of its rights as set forth in any of the provisions of this Agreement or applicable ordinance or law.

C. Any employee who participates in any conduct prohibited in Section A above may be subject to termination by the City.

D. In addition to any other lawful remedies or disciplinary actions available to the City, if the Association fails to perform all responsibilities listed below in Section 2, "Association Responsibility", in good faith, the City may suspend any and all of the rights, privileges, accorded to the Association under this Memorandum of Understanding, including, but not limited to, suspension of recognition of the Association, grievance procedures, right of access, check off, the use of the City's bulletin boards and facilities.

Section 2. Association Responsibility.

A. In the event that the Association, its officers, agents, representatives, or members engage in any of the conduct prohibited in Section A, "Prohibited Conduct", the Association or its duly authorized representatives shall immediately instruct any persons engaging in such conduct that their conduct is in violation of this Memorandum of Understanding and unlawful, and they should immediately cease engaging in conduct prohibited in Section A, "Prohibited Conduct", and return to work.

B. If the Association performs all of the responsibilities set forth in Section A herein, its officers, agents and representatives shall not be liable for damages for prohibited conduct performed by employees who are covered by this Agreement in violation of Section A "Prohibited Conduct".

ARTICLE XXIV - ENTIRE MEMORANDUM OF UNDERSTANDING

Section 1. It is the intent of the parties hereto that the provisions of this Memorandum of Understanding shall supersede all prior agreements and memoranda of agreement, or memoranda of understanding, or contrary salary and/or personnel resolutions or administrative codes, provisions of the City, oral and written, expressed or implied, between the parties, and shall govern the entire relationship, and shall be the sole source of any and all rights which may be asserted hereunder. This Memorandum of Understanding is not intended to conflict with state or federal law.

Section 2. Notwithstanding the provisions of Section 1 of Article XXV below, there exists within the City certain personnel rules and regulations. To the extent that this Agreement does not specifically contradict these personnel rules and regulations or departmental rules and regulations or City ordinances, they shall continue subject to being changed by the City in accordance with the exercise of City rights under this Agreement and applicable state law.

ARTICLE XXV - WAIVER OF BARGAINING DURING TERM OF THIS AGREEMENT

Section 1. Except where required by the terms of this Agreement, during the term of this Memorandum of Understanding, the parties mutually agree that they will not seek to negotiate or bargain with regard to wages, hours and terms and conditions of employment, whether or not covered by this Memorandum of Understanding or in the negotiations leading thereto, and irrespective of whether or not such matters were discussed or were even within the contemplation of the parties hereto during the negotiations leading to this Memorandum of Understanding. Regardless of the waiver contained in this Article, the parties may; however, by mutual agreement, in writing, agree to meet and confer about any matter during the term of this Memorandum of Understanding.

Section 1. The City reserves, retains and is vested with, solely and exclusively, all rights of management which have not been expressly abridged by specific provision of this Memorandum of Understanding or by Law to manage the City, as such rights existed prior to the execution of this Memorandum of Understanding. The sole and exclusive rights of management, as they are not abridged by this Agreement or by Law, shall include, but not be limited to, the following rights:

- A. To manage the City generally and to determine the issues of policy.
